

RESEARCH PARTICIPANTS NEEDED

The University of Calgary is doing a study to understand the cost and effectiveness of the Good Life with osteoArthritis in Denmark (GLA:D™) program used by people living with hip and/or knee osteoarthritis.

PEOPLE ATTENDING GLA:D™ IN ALBERTA WHO ARE ≥45 YEARS OF AGE ARE INVITED TO PARTICIAPTE IN OUR STUDY

Who? People diagnosed with hip and/or knee arthritis by a health professional, ≥45 years of age and not on a waitlist for total joint replacement surgery who are attending the GLA:D™ program in Alberta.

What? You will be asked to complete a 15-30 minute online questionnaire about your symptoms, function, quality of life and the cost of managing your arthritis.

How Long? Questionnaires will be completed 4 times over 1 year.
