DR. MARLEE LAMERIS OF MOMENTUM HEALTH MAHOGANY EARNs ICPA CERTIFICATION TO BETTER CARE FOR CHILDREN AND FAMILIES

Calgary, Alberta: Dr. Marlee Lameris is proud to announce that she has been granted Certification by the Academy Council of Chiropractic Pediatrics (CACCP) in the International Chiropractic Pediatric Association's (ICPA) renowned Certification Program on June 21, 2018.

The ICPA offers Doctors of Chiropractic an opportunity to achieve certification in family wellness chiropractic through advanced academics and clinical studies. The 200-hour curriculum provides the doctor with techniques and protocols of care for children and pregnant women. The 16-module program covers advanced levels of training and expertise additional to what is offered in chiropractic colleges.

By being certified, Dr. Marlee Lameris is recognized for her completion of ICPA's 14 classroom modules taught by the today's leading authorities in family chiropractic and two in-office Practice-Based Research Network projects, which substantiate both practical and evidence-informed clinical competencies.

Dr. Marlee Lameris is granted her Board Certification from The Council of Chiropractic Pediatrics of the Academy of Chiropractic Family Practice (ACFP). They have been designated with the CACCP credentials and proudly remain a member of the ICPA.

This certification enables Dr. Marlee Lameris to expand her range of care to individuals throughout pregnancy and childhood with excellence and in accordance with evidence-informed practice. "With the training and support of ICPA, I am thrilled to provide better care and have a greater impact on health and wellness in my community," shares Dr. Lameris.

ABOUT PRACTICE

Dr. Marlee Lameris is practicing at Momentum Health Mahogany in the thriving and growing community of Mahogany in SE Calgary. Dr. Lameris enjoys the collaboration and integration that working in a multi-disciplinary clinic provides. Along with chiropractic care, Momentum Health offers physiotherapy, massage therapy, and pelvic floor therapy. The conjunction of all of these services creates a positive environment where families can get better and feel better that much faster.

ABOUT ICPA

The International Chiropractic Pediatric Association (ICPA) is a nonprofit organization whose mission is to advance chiropractic by establishing evidence-informed practice, supporting excellence in professional skills and delivering educational resources to the public. It fulfills this mission by engaging and serving family chiropractors worldwide through Research, Training and Public Education. Founded in 1986, the ICPA is the profession's oldest, largest and most sought out chiropractic pediatric association.
